

# HFSA AWARDS

HFSA hosts an annual banquet upon conclusion of the season as a fun way to wrap up the year. Recognition will be given to skaters in the form of various awards for mentoring a younger skater, years skated in HFSA, levels passed during skating season, helping with Park and Recreation skating program, competitions, team events and even some silly awards presented by the coaches.

The permission slip below is for a special program in which HFSA will recognize skaters who have maintained a 3.0 GPA during the rolling school year. This will be similar to the S.K.A.T.E. award, (Skaters Keep Achieving thru Education).

HFSA needs permission to contact the school to verify GPAs. NOTE: The exact GPA will NOT be given out, just a confirmation that it is a 3.0 or above.

If you would like to participate in this award, the below permission slip must be signed and turned in before the skating season begins.

This is a great way to recognize all the hard work that our skaters do both on and off ice and encourage them to continue in excellence.

I, \_\_\_\_\_ (parent or guardian) of

\_\_\_\_\_ (skater name) give  
HFSA permission to verify with the child's school that a minimum GPA of 3.0 has been maintained throughout the skating season of October through February in order to qualify for the skating academic award.

Signed \_\_\_\_\_ Date \_\_\_\_\_

School \_\_\_\_\_ Grade \_\_\_\_\_
